Parents, Staff, and Friends:

Welcome to a brand-new year at Chapel Hill Christian School! The 2018-2019 school year brings with it excitement and opportunity for students, teachers, parents, guardians, and administrative staff. One of those exciting opportunities is the starting of a Junior Civil Air Patrol Squadron (*Eagle Squadron*) here at CHCS. Here are a few of the particulars about the program:

- It is an auxiliary operation to the United States Air Force.
- Ages, for the Junior Squadron, are 10 years to 18 years old.
- Uniforms are required.
- Military Drill and Ceremony will be taught.
- Civil Air Patrol & Air Force History will be taught.
- Avionics and Aviation will be part of the curriculum.
- Physical fitness and training are part of the course.
- This is a graded course, but tuition is FREE!
- An Opportunity to be a participant in the local CAP Squadron – *Weir Cook Cadet Squadron* – that meets at the Vincennes University Hanger at the Indianapolis International Airport.

I will be heading up this Junior Squadron as both Commander and Educator. This Class will meet Tuesday – Friday each week at 2:45 – 4:00 pm in the Staff Kitchen of the Church building. Mondays, at the same time, will be a Study Hall for all students involved. The local Squadron will be a part of our Back to School night on 7-30-18. They will be here with an Honor Guard demonstration and then be available to answer questions afterward.

Thank you all and we will see you soon at CHCS!

Dr. Jerry Hillenburg  
Senior Pastor HBC/President CHCS  
Commander CAP Jr Eagle Squadron

President – Dr. Jerry D. Hillenburg  
Chairman – Candy Greene      Vice-Chair – Jennifer Earle  
Members – Melody Harmon, Jeff Scott, Melissa Scott, Pam Self & Marcella Jones
